Attention Families,
in the event that the buses
need to be combined to
two routes instead of
three, this will be the
schedule.

This may occur due to
sickness or mechanical
issues. You would be
notified through the
notification system to
refer to the combined bus
route schedule if this was
the case. Please know we
make every effort to find
a substitute and avoid the
need to utilize this
schedule. If you have
any questions please call
the transportation director
at 367- 4642.
